## **DR BJÖRN LUDWIG**

**D.M.D., M.S., PH.D.**

Dr. Björn Ludwig is an Assistant Professor at the University of Homburg/Saar, Department of Orthodontics. He maintains a private orthodontic practice in Traben-Trarbach, Germany.

Dr. Ludwig has authored over 200 peer-reviewed clinical and scientific articles and is editor of two books. Dr. Ludwig is editor in chief of the Quintessence publication "Kieferorthopädie" (Orthodontics). He is also co-editor of the Journal of Clinical Orthodontics and Journal of Orthodontic Science.

Dr. Ludwig is an active member of the Angle society of Europe and serves in the council of the German board in Orthodontics. He is the past president of the European Begg Society.

## **MS JAC PAYNE**

**BA (PSYCH) BSC (HONS) PSYCH  
MCAP MBPSS**

Jac is a registered psychotherapist and counsellor with a breadth of experience in providing support and psychological services to adolescents, adults, couples and families. She established her private practice 'Beanstalk' in 2013 on Sydney's Northern beaches, with additional premises on the north shore. Jac specializes in adolescent development, anxiety/stress, depression, parenting concerns and the promotion of mindfulness.

"Whilst I accept I cannot change the world, I focus on helping young people navigate their complex world, one person at a time."

- Jac Payne

## **DR NORMAN STANTON**

**BDS(HON), MBBS(HON),  
GRADDIPCLINDENT, FRACDS(OMS)**

As an Australian trained Oral and Maxillofacial surgeon, Dr. Norman Stanton graduated with honours in Medicine and Dentistry at the University of Sydney and completed surgical training at major metropolitan hospitals across Sydney and Melbourne. This was followed by a renowned fellowship in acquired and congenital facial deformity at King's Hospital London.

Dr. Stanton now consults and operates at several practices and hospitals in Sydney. He is part of the multidisciplinary teams for Craniofacial and Cleft surgery at Sydney Children's Hospital and is involved in providing lectures and training to specialist surgeons and university students. He has published research and book chapters as well as presented at national and international conferences.

# Our Sponsors

The Sydney Orthodontic Alumni would like to thank the following generous sponsors for their support.

We are honoured to have American Orthodontics as the Main Sponsor for KGVP 2023
